

## New OB Appointment

### Welcome to our practice.

Congratulations on your pregnancy. We at Capital Women's Care Division 24 are here to guide you through this wonderful and exciting time in your life.

### What will happen during this visit?

If this is your first appointment with any doctor for this pregnancy, the following will be done:

- |   |   |
|---|---|
| Review of your medical history          | Discussion of genetic testing options     |
| Review of any pertinent medical records | MA will perform weight, BP and blood draw |

### What if I had this done already with another doctor?

If you have had all the necessary testing done by another doctor during this pregnancy, it probably does not need to be repeated. If you have brought the records from the previous doctor, we will review them and determine if anything further needs to be done. If you do not have the records, we will request them. If a reasonable amount of time lapses and we still don't have the records, we will need to repeat the testing.

### What if I have had care outside of this country?

In general, if you have had prenatal care outside of the US, we will need to repeat all testing.

### When is the next appointment and what should I expect until then?

In general, the next appointment will be in 4 weeks. Please schedule this at our checkout desk prior to leaving today. What you can expect depends on how many weeks pregnant you are at this appointment. Your doctor will tell you what you can expect prior to that appointment.

### How can I contact the doctor?

We have found that the answers to most questions can be found on our website [www.obgynmaryland.com](http://www.obgynmaryland.com). If you still need to talk to the doctor, please call:

- |  |              |    |              |    |              |
|--|--------------|----|--------------|----|--------------|
| During regular office hours:                   | 301.424.3444 | or | 301.593.3395 |    |              |
| During nights and weekends (emergencies only): | 301.424.3444 | or | 301.593.3395 | or | 888.289.7170 |
